The Defence and Security Accelerator (DASA) is seeking proposals that can make a real-world difference, fast and at scale.

DASA is looking for scalable solutions designed for manufacture that can be demonstrated in a relevant environment 3 months from the date of contract in this rapid multi cycle competition that intends to identify 'nearly ready' solutions and techniques in 4 themed areas.

Competition Scope

This competition has 4 challenges, as well as brand new innovations the competition welcomes proposals that outline an innovative approach to reusing existing products that may not yet have been tested for these purposes

- Challenge 1: Novel and enhanced scale complex manufacture of materiel.
- Challenge 2: Autonomous system navigation and applique options.
- Challenge 3: Wide-area sense and detect.
- Challenge 4: Innovative solutions for minefield breaching

Eligibility

- To apply you must be a UK registered business with UK ownership and intend to carry out development activity in the UK
- Projects must be at TRL 6 no later than 3 months from the start date.
- Innovations should have the potential to be deployed in an operational theatre within 12 months.

How can Streets help?

Grant Search

The grants landscape is complex and wide, knowing what funding options are available for your projects can save you time and resources. We can understand your projects and business aims and identify the most relevant funding areas for your business.

Bid Writing

Writing a grant application can be a time consuming and difficult process with very low success rates. Streets bring a unique understanding of the application process including eligibility requirements and the ability to create compelling applications to not only increase your chance of winning but also free up your time and resources to focus on core business activities.

Project Scoping

Do you have an innovative idea and want to explore funding but need to accelerate your development and identify the risks within your project and any barriers to success alongside?

We can help you to develop those novel ideas into projects and establish the opportunity, the need and any gaps in capability.
