## UK Registered businesses can apply for loans up to £2 Million for innovative projects with strong commercial potential.

This competition offers loans to help businesses overcome barriers to their innovations becoming a successful, commercial reality. The aim is to make a considerable economic impact which results in significant, sustainable business growth.

### Proposal Requirements

- Projects can include Prototyping, demonstrating, piloting, testing and must focus on one or more of the following themes:
- **Net zero**
- Energy
- Impact of industrial processes and use of materials
- Emissions from agriculture and food
- **Health and Wellbeing**
- Tackling ill health
- Enhancing wellbeing
- Diet and food
- **Next Generation digital technologies**
- Materials and Manufacturing
- AI and Advanced computing
- Bioinformatics and genomics
- Engineering biology
- Electronics, photonics and quantum technologies

### Eligibility

To receive an innovation loan you must be:

- A UK registered micro, small or medium size business
- Carry out your project in the UK
- Intend to exploit the results from the UK
- Give evidence that your business is suitable to take on a loan

## How can Streets help?

### Grant Search

The grants landscape is complex and wide, knowing what funding options are available for your projects can save you time and resources. We can understand your projects and business aims and identify the most relevant funding areas for your business.

### Bid Writing

Writing a grant application can be a time consuming and difficult process with very low success rates. Streets bring a unique understanding of the application process including eligibility requirements and the ability to create compelling applications to not only increase your chance of winning but also free up your time and resources to focus on core business activities.

### Project Scoping

Do you have an innovative idea and want to explore funding but need to accelerate your development and identify the risks within your project and any barriers to success alongside?

We can help you to develop those novel ideas into projects and establish the opportunity, the need and any gaps in capability.
